To Whom It May Concern:

It has been my pleasure to work with Orbund for the past 3 years. The Orbund program has proved to be very useful for our school.

The program is used daily by me and the teachers here at Saint Benedict School. We utilize the program for attendance records, grades, updating immunization records, inputting parent hours and fundraising obligations.

I am especially grateful to the staff at Orbund for their help anytime it is needed. They are very patient when guiding us through steps to find a solution should a problem or questions arise.

I am very confident in recommending the Orbund Company to any institution that is considering their program.

If you have any questions or concerns please feel free to call me at 323.721.3348.

Sincerely,

Icela Garcia
School Secretary
